It will be held on Wednesday, June 13, at WILDCAT Golf Club with a 1:00 p.m. shotgun start. Please feel free to contact us for any additional information at (713) 984-1343, ext. 113.

Educating our teachers today, who teach tomorrow's leaders

Our vision is to use our resources to enlighten the teachers of today, and through them, the leaders of tomorrow; awaken in Americans a sense of responsibility to their families, communities, and nation; and to unite them through a common heritage and culture. We do this so that we will possess the tools required to be the next generation's guarantors of liberty.

Our American Idea programs strive to educate teachers and students in the principles of private property, constitutionally limited government, free market economics, liberty and an enduring moral order. We accomplish this by providing seminars and workshops for teachers, and educational resources for teachers and their students that include lesson plans, handouts, articles, and books. Our hope is that by doing so, the Free Enterprise Institute will play its part in preserving the heritage of liberty and responsibility left to our generation.

I look forward to hearing from you about your role in our golf tournament. Any level of sponsorship will be welcomed. If unable to participate, please consider a contribution toward the success of the tournament. We are also in need of goody bag and auction items.

Sincerely,

W. Winston Elliott, III
